liniLED® Connectors and Mounting

Top & Side Connectors

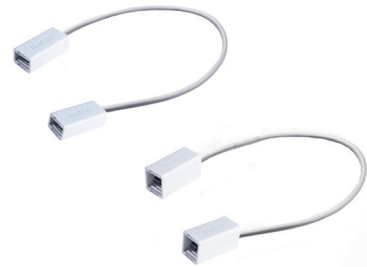

Flexible liniLED® LED strips can be installed on curved and/or flat surfaces, around pillars, in coves, and other curved outdoor or indoor areas. For linear installation, the liniLED® Aeris range of plastic and aluminum channels offer durable indoor and outdoor solutions.

The liniLED® range includes other linear mounting profiles, such as: Line Profiles, Wall-/Floor Profiles and Stair Profiles.

All profiles are available in standard lengths of 2 ft. to 8 ft. Custom lengths up to 16 ft. are available on request.

Extension Connectors

Part #	Description
Connectors	

Top & Side Connectors

Push-fit Power Connector sets - Supplied with termination end cap

011200	3' Mono Color Top, IP40
011201	16' Mono Color Top, IP40
011204	3' RGB Color Top, IP40
011205	16' RGB Color Top, IP40
011202	3' Mono Color Side, IP40
011203	16' Mono Color Side, IP40
011206	3' RGB Color Side, IP40
011207	16' RGB Color Side, IP40
011747	Inline Connector, Top RGB*
011790	Inline Connector, Top Mono*

Custom lengths to order. *All connectors are IP40. To make IP67, use IP67 Waterproofing Kit listed below.

IP67 Waterproofing Kit

Extension Connectors

Cords & Caps Connects two liniLED strips with a 10" cable in between.

011208	Mono Color Top*
011209	Mono Color Side*
011210	RGB Top*
011211	RGB Side*
011503	Protective End Cap Top
011504	Protective End Cap Side

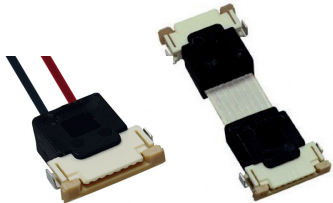

Custom lengths to order. *All connectors are IP40. To make IP67, use IP67 Waterproofing Kit listed below.

Waterproofing Kits

Includes di-electric epoxy, applicator and spare nozzles

011508	IP67 factory installed connections
011511	IP67 10ML Kit, per run
011290	Factory Top Mirror Weld Connection and End Cap 16' IP68
011291	Factory Side Mirror Weld Connection and End Cap 16' IP68

PCB Connect

PCB Connect

011750	PCB Connector Set
011797	PCB Inline Connector
011795	PCB Extension Cord

Connect

Connect

IP68 - Forta and Marker Lights

014530	Connector Set 16'
014507	Connector Set 33'
014531	Connector Set RGB 16'
014517	Connector Set RGB 33'
014508	Extension Cord 16'
014509	Extension Cord 33'
014518	Extension Cord RGB 16'
014519	Extension Cord RGB 33'
014510	Splitter for Mono and RGB

Extension Cord

Part #	Description
Connectors (cont'd.)	
Tunable White	
011190	liniLED® Top Tunable White Connector 3'3", IP68, end cap included
011191	liniLED® Top Tunable White Connector 16'3", IP68, end cap included
011192	liniLED® Top Tunable White Extension, 10" , IP68, end cap included
011193	liniLED® Side Tunable White Connector 3'3", IP68, end cap included
011194	liniLED® Side Tunable White Connector 16'3", IP68, end cap included
011195	liniLED® Side Tunable White Extension, 10" , IP40
Diffused	
011245	liniLED® Diffused Connector Angle 3/4" x 3/4", 3'3"cord, IP68, end cap included
011246	liniLED® Diffused Connector Angle 3/4" x 3/4", 16'3"cord, IP68, end cap included
011260	liniLED® Diffused Connector Angle 1/2" x 3/4", 3'3", IP68, end cap included
011261	liniLED® Diffused Connector Angle 1/2" x 3/4",16'3", IP68, end cap included
011250	liniLED® Diffused Connector Straight 3/4" x 3/4", 3'3"cord, IP68, end cap included
011251	liniLED® Diffused Connector Straight 3/4" x 3/4", 16'3"cord, IP68, end cap included
011270	liniLED® Diffused Connector Straight 1/2" x 3/4", 3'3"cord, IP68, end cap included
011271	liniLED® Diffused Connector Straight 1/2" x 3/4", 16'3"cord, IP68, end cap included
011276	liniLED® Diffused Extension Cord Angle 3/4" x 3/4", IP68
012777	liniLED® Diffused Extension Cord Angle 1/2" x 3/4", IP68
011278	liniLED® Diffused Extension Cord Straight 3/4" x 3/4", IP68
011279	liniLED® Diffused Extension Cord Straight 1/2" x 3/4", IP68
011280	liniLED® Diffused Connector Angle Male 3/4" x 3/4", IP68, end cap included
011281	liniLED® Diffused Connector Angle Female 3/4" x 3/4", IP68, end cap included
011282	liniLED® Diffused Connector Straight Male 3/4" x 3/4", IP68, end cap included
011283	liniLED® Diffused Connector Straight Female 3/4" x 3/4", IP68, end cap included
011284	liniLED® Diffused Connector Angle Male 1/2" x 3/4", IP68, end cap included
011285	liniLED® Diffused Connector Angle Female 1/2" x 3/4", IP68, end cap included
011286	liniLED® Diffused Connector Straight Male 1/2" x 3/4", IP68, end cap included
011287	liniLED® Diffused Connector Straight Female 1/2" x 3/4", IP68, end cap included
