## Illuminated Handrails

ORGANIC LIGHTING®

## ORGARAIL®. The Contractor Friendly Push-Fit System

The ORGARAIL® illuminated handrail simplifies installation through sophisticated design and the integration of continuous flexible 24V LED strip into the handrail. The ORGARAIL's® vandal resistant, but instantly maintainable or replaceable OrgaLED® strip slides into rails from one end, speeding installation and avoiding mishandling of LED's and sensitive electronic components.

OrgaLED® LEDs are highly energy efficient and ultra cool running, with an expected lifetime of more than 50,000 hours. Ideal for long lasting indoor and outdoor handrail solutions.

### Nothing but the best

- Highest quality
- Flawless surface finishes
- Highly accurate dimensions and minimal tolerances

### 100% safe

- Systems are tested and approved according to IBC 2015, and ASTM E2353/E935-00 international and standard building codes

### Style and function

- Everything you need to create a complete railing or handrail system
- Features that make for quick and easy mounting
- Mix and match to achieve a custom design
- Non-illuminated rails available
