

Aeris Extrusion 3/4" Low & High

- 3/4"W Aluminum Extrusion, anodized
- Low Extrusion for OrgaLED PCB or OrgaLED High Power
- High Extrusion for any OrgaLED strips
- Flush fitting or raised lens available for horizontal illumination from the sides
- Clear or Diffused decorative lens
- Flex Diffused walkover lens
- IP68 encapsulation fixtures optional
- Cordless low voltage - ultra lightweight extrusions can be suspended with adjustable, cordless low voltage cable suspensions to create free-floating appearance

MOUNTING:

Aeris Cabletray

Aeris Assembly Clip

Aeris Swivel Mount

LENS:

Flush Diffused Lens

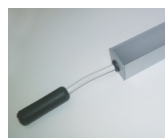

Flush Clear Lens

Flexible Diffused Walkover Lens

High Diffused Lens

IP68 Encapsulated Pre-assembly

ACCESSORIES:

Aeris Straight Connector

Aeris 90° Connector

Aeris 90° Inner Corner Connector

Aeris 90° Outer Corner Connector

Aeris Suspension Kit
